

17th Biennial Conference Registration Form

Complete this form and return it to the national office or register online at www.firstskinfoundation.org. The conference registration form and payment must be submitted to the national office by **June 1st**. Registrations without a completed form and payment will not be considered complete. *Please note: Registration does not include your hotel room. Accommodations at the Renaissance Denver Hotel must be made separately.* Cancellations received prior to June 1st will be refunded less a \$25 per person administrative fee. **No refunds issued after June 1st.**

Clinical Screening Appointments

All affected individuals and their families have the opportunity to meet with leading expert physicians for a free, private 15-minute consultation on Friday, June 22. Participation is voluntary. Sign-up is required prior to the conference by completing the Clinical Screening section on this Registration Form.

Kids' Camp

Social programs for all affected children and their siblings are an integral part of the conference. Children in the kids' camp (ages 1–12) will enjoy activities, entertainment, educational programs and refreshments while their parents participate in conference workshops and sessions. Be sure to indicate if your child will be attending the kids' camp on pages 3 and 4. A licensed child care company will be hired to provide this service. A nominal fee is required so FIRST can be sure who is planning to use this service and the appropriate number of childcare providers will be hired for the safety of your children.

Ichthyosis Genetics Study Update

At the 2010 family conference in Orlando, Dr. Keith Choate and his team from Yale University enrolled over sixty families in a gene discovery project to identify the genetic causes of ichthyosis. This year, the Yale team will be enrolling additional families in this study and following up with those already enrolled. People with ichthyosis who have never had genetic testing and those who have had genetic testing without identification of a disease causing mutation are invited to participate. Previous participants will be asked to meet with the Yale team and to provide additional clinical information.

Come join us at our signature event. Hosted every two years, our national conference promises to provide personal and family support, medical updates, research opportunities, treatment advice, one-on-one conversations with medical experts, plus much more!

Grand Rounds

FIRST will be sponsoring Dermatology Grand Rounds at Children's Hospital of Colorado on Thursday, June 21 (the day before the conference). The purpose is to teach doctors to recognize the medical signs and symptoms of the ichthyoses and understand the common psychological aspects. Doctors attending will receive Continuing Medical Education (CME) credits. A handful of individuals affected with different types of ichthyosis will be asked to participate. If selected, you (or you and your affected child) will sit in an exam room. Medical students/doctors from the area will come to observe your symptoms and ask questions about how the condition affects you and your daily life. It is an incredible opportunity for doctors and future doctors to see a variety of the ichthyoses in one setting and learn firsthand. If you are interested in being considered as a patient volunteer for these Grand Rounds, please check the box on page 4. The number of patients is limited, so only a few will be selected. FIRST will provide accommodations for a Thursday night stay if you are selected to participate. You will receive an email from the FIRST office if selected.
